* Procurements carried out by foreign companies owned by the Group (Ignitis Latvija SIA, Ignitis Eesti OÜ, Ignitis Polska sp. z o.o., Tuuleenergia osaühing, Dolcetto sp. z o.o, Pomerania Wind Farm sp. z o.o, etc.) are not subject to legal regulations of the Republic of Lithuania (LPP/LP), their procurements are to be carried out in accordance with the legislation of the respective foreign countries (according to Estonian legislation, Tuuleenergia osaühing is a contracting authority and its procurements are to be carried out in accordance with the Estonian public procurement legal regulations).

** UAB “Ignitis renewables” and UAB “Ignitis renewables projektai”, UAB “VVP Investment”, UAB “Vėjo vatas”, UAB “Vėjo gūsis”, UAB “Eurakras” are contracting entities (the LP should be applicable thereto). Pursuant to a decision made by the EC, an exception is made to the procurements of such contracting entities that are related to electricity generation and/or wholesale activities, and the provisions of the LP shall not apply thereto. Such companies may carry out commercial procurements. The exception may apply to other Group companies that carry out electricity generation and/or wholesale activities and that are not involved in the subsidy schemes described in the exception.

On 28 July 2020 the European Commission (EC) adopted a Commission Implementing Decision (EU) 2020/1500 on the applicability of Directive 2014/25/EU of the European Parliament and of the Council to contracts awarded for activities related to production and wholesale of electricity in Lithuania. The EC Decision provides that Directive 2014/25/EU does not apply to contracts awarded by contracting entities the purpose of which is to enable the production and wholesale of electricity from conventional energy sources and renewable energy sources in Lithuania, except for the production and wholesale of electricity produced from renewable energy sources and which is subject to the first and second subsidy schemes. Pursuant to this Decision, procurements of contracting entities engaged in the production and/or wholesale of electricity for the performance of such activities are not subject to the provisions of the LP. The EC Decision is available on the European Union legal framework EUR-Lex ([link](#)).
